Chip, you used some non-existent email addresses for Jen, Bob and Rick (e.g., BobWyatt@mintra02.rtp.epa.gov). Therefore, I was the only one that received it. Can you correct the email addresses and resend? Thanks, Jim.

Bob, Jim and Rick

EPA has reviewed the draft "working list" for disposal sites that was provided via email from the LWG on June 27, 2008 (see below). The working list provided in the submittal is acceptable to EPA and LWG may proceed with this list as a starting point for FS evaluations. Please note that it is our understanding that the Arkema CDF on the list is being proposed as a CDF for Arkema waste material only.

We look forward to working with the LWG on the evaluation criteria, alternatives screening and FS evaluations.
